The use of this Platform is governed by the terms and conditions outlined below. Please read these terms carefully, as by using our services and the services of the Platform Operator, you agree to them. These terms may be amended without prior notice.

The Platform is published and legally owned by **Commerce CloudSoft LTD (Company, we)**. The company is working on creating an ecosystem with intelligent functionality to host innovative projects from around the world, helping its users find effective products and services. The company's mission is to create an integrated platform with a basic set of functionalities, services, and tools that simplify the process of developing international innovative projects through additional funding, create exclusive digital assets to facilitate transactions, establish partnership networks, and help users improve their quality of life.

Our goal is to provide you with convenience, security, and confidentiality when using our Platform and services.

Commerce CloudSoft LTD grants you a limited right to display the contents of this Platform on your phone, computer, or any other electronic device that you use to access the Platform, as well as to print, download, and use the materials of this Platform, solely for informational purposes, provided that the content of the Platform is not altered in any way and that all copyright notices and other notifications are preserved. You agree that you bear sole responsibility when entering into partnership relations, attracting clients, or entering into service relationships in the field of investments and innovations through the use of our Platform.

The information and materials posted on the Platform, including market research results, information about investment objects, forecasts, evaluations, ratings, plans regarding investment projects, the nature and characteristics of project strategies, their cost, results of technical and/or fundamental analysis, do not constitute our investment recommendations, as the aforementioned projects, their goals, and plans may not align with your investment profile and expectations. By entering into any relationships, transactions, or partnerships using the Platform, you agree to take responsibility for your actions. We encourage our Clients, Partners, and service providers to exercise due diligence. Transactions may involve significant risks of losses. We also recommend that everyone seek advice from a professional consultant and conduct independent investigations before acting based on the information we publish on the Platform. Most of our information is obtained directly from sources published by companies we consider reliable. However, we cannot guarantee the complete accuracy and completeness of the information. In no way do we guarantee or assure the success of any actions you take based on our statements or recommendations on the Platform.

You also agree to take full responsibility for all personal data and information provided to the Company within the framework of partnership relationships arising from agreement with the policies, terms of use, and other documents of the platform, as well as those stemming from the factual aspects of entering into relationships and transactions within the platform.

Each user (you) agrees not to attempt, directly or indirectly, to violate, damage, interfere with, alter, or modify our platform or any content, as well as any personal data. The materials of the platform, including data, images, names, photographs, logos, and emblems related to (us, the company), its properties, and services (or the corresponding and related third-party services), are provided "AS IS" and "AS

AVAILABLE." To the extent permitted by UK law, Commerce CloudSoft LTD makes no warranties (whether expressly stated or implied by law), including implied warranties of quality, fitness for a particular purpose, non-infringement, compliance, security, and accuracy of the provided assistance and data.

While we strive to ensure that all content and assistance, we provide are accurate at the time of distribution and/or adequate, our company, its representatives (employees, curators, directors), shall not be liable for any inaccuracies, omissions in providing assistance, or erroneous data placed on the platform. The information and materials posted, including research results, forecasts, evaluations, data on objects, and results of our fundamental analysis, do not constitute our recommendations, as the aforementioned knowledge and their objectives may not align with your expectations.

You agree that you will have no claims against us in any of these cases where something goes wrong in accordance with any type of relationship established by you through the platform. We make no representations or warranties regarding the suitability, reliability, availability, timeliness, security, absence of errors, or accuracy of the services or their content, and we expressly disclaim any warranties or conditions (express or implied), including implied warranties of fitness for a particular purpose and non-infringement of rights concerning projects. We do not guarantee that you will achieve specific results from using the platform's services and the platform itself.

You use the Services (including any content) and engage in any transactions and interactions entirely at your own risk.

We are not liable for any delays or failures in the operation of any Services caused by events beyond our reasonable control, such as acts of war, hostilities, or sabotage; natural disasters; power, internet, or communication outages; or governmental and legislative restrictions.

You grant us (Commerce CloudSoft LTD) the privilege to use your identity, data, any information you provide about other individuals, and related features in combination with the resources and other data provided, as well as in connection with any requests and assistance provided to you and all advertising, marketing, and partnership resources. While using the platform, you may be redirected to other sources, websites, and pages on the Internet. Our company has no authority and bears no responsibility for the relevance or feasibility of the content, materials, privacy policies, or procedures of any Third-Party resources.

Your entry into the platform's personal account, connection, verification, or any other actions within the platform will confirm YOUR ACCEPTANCE of these terms and conditions. You acknowledge that you have read and agree to comply with the above-stated disclaimer. Under no circumstances, including but not limited to negligence, will we be liable for any direct, indirect, incidental, consequential, or exemplary damages arising from the use of our assistance or the use of the platform, other networks, the partnership program, or any resources or elements within the platform and/or website under our company, even if we have been advised of the possibility of such damages.

You agree that any disputes arising from the use of the company's services, our platform, and/or participation in the Partnership Program must be resolved by you independently without involving the

company. You also agree that any claims arising from or related to the use of the platform should be addressed to the respective party involved in the transaction without involving the company in the dispute.

PLEASE READ ALL THE TERMS AND CONDITIONS OF THIS DOCUMENT BEFORE USING THE PLATFORM AND COMPANY SERVICES.
